Judge's Comments:

Look at the size of this show with 6 champions exhibited also. Shows are so exciting meeting exhibitors, many old friends and many new. The quality of birds raised is something to be proud of. I can't say enough about that Australian cinnamon violet in first place. Conformation with a bowtie. Condition, deportment are to be commended. Holding of the green pied in 2nd followed by a green Fischer's that was excellent. Followed by a whiteface violet than a green longfeather. Then a nice whitefaced Australian cinnamon pied followed by a black cheek then a green Australian cinnamon. Then comes along a whitefaced medium violet that the judge loved. All birds were on top bench were something to see. BBF is always so hospitable, a fine dinner with wonderful companionship. This show is a must to attend, vendors set up nicely, large show hall.
