Judge's Comments:

I would like to thanks all the members of the Middle Tennessee Cage Bird Club. Exhibitors need to support this club in their show. They do a wonderful job of putting on a show, the people are great, the show hall is nice and there is good food. The show was good but the lovebird division had only 4 birds and all 4 birds were in great shape, size, and color. The result would have probably been the same had there been more birds. Thanks to William and Lorie for letting me come to Nashville, TN.
