Judge's Comments:

It was nice to have so many well renowned judges at this show followed by a judges's meeting. Over the years we get together as a group and I realized how valuable and experienced our judges are. My secretaries and stewards make judging run smoothly. I can't say enough about members of our society. We have large shows all over the country with many people who go above and beyond to make them work. Denver(RMSA) has become one of my favorite shows to judge. Club members are friendly and generous. The bird fair (2 days) is fun to attend. This is a show to exhibit at! A seagreen greywing was 1st in division. This bird was immaculate. It was marked beautifully and its conformation and deportment were to be commended. Condition was at its peak. Paul, Dave Gary thank you. Glenda and Janet thank you too! What a wonderful judges gift - framed bird stamps!!
