5	Medium Blue Whitefaced Violet	Ron Brewer	LBS SJC 96 098
CHAMPIONS	None		
Best Novice	None		
Best Unflighted	None		

**Judge's Comments:**

Unfortunately we didn't have the number of entries we expected due to the heavy rains. It did us plenty of time to chat about each bird though. Most of the birds had condition problems, again due to the weather.

The first place bird was a nice seagreen. It had great size and good condition.

This was the first time the Houston club has had lovebirds. Hopefully it will continue and grow.
