**Judge's Comments:**

Since it was a small show we combined the 2 Divisions and re-judged the birds. The Medium Green Orangefaced won the combined show. The owner of the bird was Linda Brandt from Canal Fulton, OH. The bird went threw all day of moving show boxes and retagging and was just as nice then he/she was at the beginning of the show, a Real Show Bird.

## Judge's Comments:

The Second day of the Great American was the same as the first day, small show, and we had some very different looking Par-Blue Fischer's owned by Felix DelSalle from Miami, FL. The Birds were in good condition and very well show trained. I would like to thank the Exhibitors for there birds out.

## Judge's Comments:

I would like to thank The Great American Bird Show for having me judge the Peachfaced Division. Also Deb & Dave Dollar. The show was small bu the birds in great condition. The Medium Green Orangefaced that won the show, owned by Linda Brandt also won 3rd place in The Best in Show.
